

**PROFILE  
OF  
SYNERGY WASTE MANAGEMENT  
PRIVATE LIMITED**

# A brief about SYNERGY:

**Synergy Waste Management Private Limited** has been incorporated in the Year 2001 with the Primary Objective of becoming one of the major players in the field of Bio Medical Waste Management in Asia-Pacific region.

We have started our operation from Delhi in the Year 2001 & eventually expanded in Northern INDIA. Currently we are operational with SIX State-Of-The-Art Plant in the following states,

(A) HISAR, H.R | (B) DELHI | (C) MEERUT, U.P | (D) LUCKNOW, U.P | (E) GAYA, B.R | (F) BHAGALPUR. B.R

Synergy has established operation through globally competitive tender & we have awarded a **contract with DHS** which is valid up to year 2016. We are also the **biggest operator of DPCC** authorized Common Bio-Medical Waste Treatment facility in Delhi.

Synergy Waste Management is led by two committed & promising entrepreneurs – Mr. Neeraj Aggarwal & Mr. Dheeraj Aggarwal, with a Vision of creating awareness regarding Bio Medical Waste & offering world class services to the society to protect our environment”.

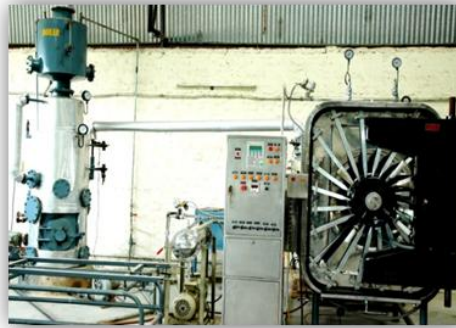

The **Promoter of Synergy** is **Rawalwasia Group** and Rawalwasia Ispat Udhyog Pvt. Ltd. is the flagship company of Rawalwasia Group, which is a leading manufacturer, exporter & supplier of Mild Steel Galvanized Pipes and Mild Steel Black Pipes (GI Pipes) since 1985.

Synergy Waste Management has highly trained & experienced professionals in the management of Bio-Medical Waste. We ensure that collection, transportation, storage & treatment of Bio Medical Waste is done in a systematic manner by fulfilling all regulatory norms stipulated in Bio-medical Waste (Management & Handling) Rules 2000.
